AROUND THE PARISH:

In spite of the Coronavirus shutdown, St. Francis was active in the New Britain community this Easter Season in the following ways:

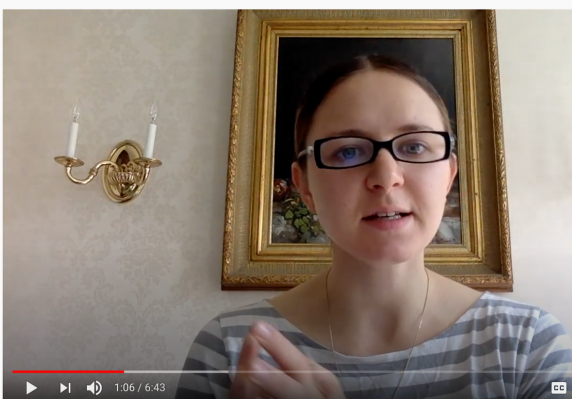

We donated 400 palms to be distributed to health care workers who could not get them on Palm Sunday.

We provided 1,000 bottles of Holy Water and made them available on the church steps.

Our live streamed daily Mass and Rosary were viewed by the residents of Autumn Lake Healthcare.

We live-streamed daily Mass and the Rosary as well as all Triduum Services, the Easter Vigil and Easter Sunday Celebration on YouTube.

Additional inspirational and educational content also appeared on Facebook, Instagram, and our website, www.stfranciscatholic.org
